### About - English 101: Introduction to Academic Writing

All academic writing follows a logical, straightforward structure. In its simplest form, academic writing includes an introduction, body paragraphs, and a conclusion. The introduction provides background information, lays out the scope and direction of the essay, and states the thesis.

### English 101: Introduction to Academic Writing

The main purpose of English 101 is to introduce you to the conventions of academic writing and critical thinking. And while academic writing is used for different things to different people, there are some common elements. We write to communicate to others-whether they are colleagues in their fields, or friends.

### English 101

Introductions: How to write an academic introduction This lesson / worksheet presents the key sections to an academic introduction. It highlights those key sections in three model introductions with particular attention to the thesis (question / topics / stance) and finally writing an introduction using a range of titles.
