Root Page of "English from the Roots Up"

Root words are also useful for creating new words, especially in technology and medicine, where new innovations occur frequently. Think of the Greek root word tele, which means "far," and inventions that traverse long distances, such as the telegraph, telephone, and television. The word "technology" itself is a combination of two other Greek root words, techne, meaning "skill" or "art," and ...

Amazon.com: English from the Roots Up, Vol. 1: Help for ...

In English From the Roots Up, Greek and Latin words are the foundation for vocabulary study in the broader sense of word derivations. Children are unlikely to find the majority of the vocabulary words they learn here in their everyday reading, but they will be well prepared for new vocabulary they ' ll encounter in high school and college.

English from the Roots Up - cathyduffyreviews.com

Sometimes we have " Root Bees " where I flip through the cards, call out the root, and have the kids shout out the meaning. Or I reverse it, shouting out the meaning and asking them to shout out the roots. We do a lot of shouting around here. English From the Roots Up flashcards can be found here on Amazon, or
