Ethical Leadership: The Quest for Character, Civility, and ...

Fluker's volume grounds leadership in story, the appropriation of one's roots, as a basis for personal and social transformation. He then explores the key values of character, civility, and community for ethical action on the personal, public, and spiritual realms.

Ethical Leadership: The Quest for Character, Civility, and ...

Ethical leadership is, for most leaders, a constant quest to keep a perspective on who they are, how they relate to the group, and to whom they have obligations. It entails a level of self-knowledge and self-control that is challenging to sustain over time and under the pressures of the job.
