How to Write Ethos | Examples and Samples

- Ethos, pathos, and logos are persuasive techniques used in writing to create a strong paper. Ethos is the aspect that focuses on the writer's credibility. Lack of credible sources, tone and thoughtfulness create a negative perspective shown on the author by the reader, therefore, constructing a poor foundation.

Examples of Ethos, Logos, and Pathos

Being able to apply this concept to a paper I found to be even more difficult especially in clarifying ethos and logos. In my mind, I over simplified the two concepts to ethos equaling credibility and logos to mean the accuracy of the information, but in my research, this was not always the case.

Ethos (papers)

How to Write Ethos. The first one lies in the fact that you have to make your readers trust you. The second - you need to make your readers respect or even like you. When you read "like you ", don't think that it is necessary to make your readers go out with you for a date after they finish reading your paper.

Using Ethos, Pathos and Logos In Your Essay

Ethos is an appeal to ethics, pathos is an appeal to emotions, and

logos is an appeal to logic. Each of these is used in an argument in order to convince an audience. The argument may be heavier in one appeal over another; however, a good argument will contain some of all three appeals.
