Summaries of EU Legislation - EUR-Lex

European Union Law Law and Legal Definition European Union law is a body of treaties, law and court judgments which operates alongside the legal systems of the European Union's member states. Whenever there is a conflict between EU law and national law, EU law takes precedence over national law and is binding on all national authorities.

EU law | European Union

European Union law is the system of laws operating within the member states of the European Union. The EU has political institutions and social and economic policies. The EU has political institutions and social and economic policies.

Europe and the law: 6.2 The supremacy of EU law ...

“Summaries of EU legislation” are short, easy-to-understand explanations of the main legal acts passed by the EU – intended for a general, non-specialist audience. Most cover the main types of legislation passed by the EU: directives, regulations and decisions. But some cover other documents, such as international agreements.
