European Universalism The Rhetoric Of Power

The historical paradox here is that Orthodox Christians used to believe that this version of European universalism generated a central, immoral discourse. As for the Western-centric rhetoric in its Orientalist and imperialist version, it has been linked to wars of European expansion and colonisation from the four corners of the world.

European Universalism The Rhetoric Of

This is an excellent analysis of European universalism, which serves as an ideological rationalization for pan-European racism, Orientalism, and imperial control. Wallerstein suggests as an alternative not cultural-nationalism or Occidentalism but rather a truly liberatory internationalist counter-movement that would bring about a world in which "all would give and all would receive" (p. 80).
