In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

### Evidence of Harm: Mercury in Vaccines and the Autism ...

This evidence was systematically examined—and rejected—by the authoritative US Institute of Medicine last year. Kirby also endorses campaigners' assertions that the symptoms of mercury toxicity are similar to those of autism. But the clinical features of these conditions are quite distinct. Mercury poisoning causes ataxia and dysarthria ...
