OzoBlockly gives you the power to fully control your Ozobot's movement and behavior. Powered by Google's Blockly, OzoBlockly offers five modes from Pre-Reader with icon-based blocks to Master with support for many low-level functions and advanced programming concepts.

Welcome to OzoBlockly
Two years ago, he had the same procedure: we had to put down a \$500 down payment and we are still making payments on it. He was enrolled in a rehab program. It was also "Free" through Evolution. He was required to get a complete blood workup before the rehab which was also "Free" at our local hospital because of Evolution.
