***These exercises are examples of
moves you can try using the
Balance Ball Resistance Kit, a
series of straps that fit over your
ball providing two resistance bands
for strength training. Having the
bands attached to the ball allows
for a wide variety of exercises with
no need for door attachments or
other extras often necessary for
band work.***

Exercise Ball Resistance Bands Workout Set | Fitness ...

1. Hook the band onto the door anchor. Lie on an exercise ball with your lower back curvature pressed against the spherical surface of the ball. Your feet should be bent at the knee and pressed firmly against the floor. The upper torso should be hanging off the top of the ball. Grab the handles and make sure there is medium tension on the band. 2.
