"Exploration and Irony in Studies of Siam over Forty Years ... watershed in Thai studies that has altered and shifted the hitherto dominant, conservative, elitist, state-centric, royal-nationalist mainstream to an inundation of revisionist counter-streams and sub-streams since the 1990s.

Exploration and irony in studies of Siam over forty years ... His early studies of Indonesia led to the publication of *Imagined Communities: Reflections on the Origin and Spread of Nationalism*, a book that profoundly changed the way people understand modern states. Banned from returning to Indonesia after his interpretation of the 1965 coup was published, Anderson shifted his attention to Thailand.

Exploration and Irony in Studies of Siam Over Forty Years (PDF) Irony is a form of speech used to convey feelings in an indirect way. Patients with schizophrenia demonstrated an impaired irony processing, associated with poor theory-of-mind. We investigated irony appreciation in a sample of 20 subjects with schizophrenic disorder by using cartoon images.
