Exponential Organizations: Why new organizations are ten ...

Exponential Organizations: Why new organizations are ten times better, faster, and cheaper than yours (and what to do about it

What Is An Exponential Organization?

The book Exponential Organizations from Singularity University argues that even though the information-based world is now moving exponentially, our organizational structures are still very linear (especially the larger and older ones). It is time to scale the organizational strategy, structure, processes, culture, KPIs, people and systems to transform the organizations into exponential ...
