Jacobs refers to the concept of “eyes on the street” which is the activity taking place in city streets that keeps the movement and security of the street intact.

Quote by Jane Jacobs: “A city street equipped to handle ...

Haq notes that in today’s age of internet and social media, it is one of the few times so many people “will get out in the street.” “Everything’s become virtual, even protests,” she muses, citing online petitions as the new version of activism. When all eyes are on the street, then, is it time to ask the public some difficult questions?

Eyes on the Street: The Life of Jane Jacobs: Kanigel ...

The logic is simple: the more people in the streets, the safer they become. Their “eyes on the street” provide informal surveillance of the urban environment. For residents to move safely through the streets, other people need to be present, contributing to an atmosphere of safety.

Eyes on the Street

Eyes on the Street: the Spectacle of Urban Life

Eyes of the Streets is a capacity building project. We use creative tools such as photography, film and art interventions to build cohesion . and authentic representation in marginalised communities. We are a team of social entrepreneurs working voluntarily to give voice . and keep hope alive at some of the most underrepresented communities.

URBAN PLANNING + SOCIOLOGY: Eyes on Street Theory

Eyes from the Street. While the Roman and Arab court-centered buildings without windows blocked eyes from the street, contemporary houses achieve the same effect with a variety of means appropriate for them—distance, walls, fences, hedges, and elaborate curtains. Most vulnerable to intrusion are detached houses and, among them, those at ...

Supporting Eyes on The Street - Crime Stoppers Western ...

Eyes on Street Theory Throughout the 1960's, modernist urban planners implemented many policies, such as urban renewal, in attempt to reduce city blight and crime. During this time city planners rationalized the need to zone separate areas throughout the city for residential, commercial and industrial uses.

How "Eyes on the Street" Contribute to Public Safety ...

Jacobs wrote that in order for a street to be a safe place, "there must be eyes upon the street, eyes belonging to those we might call the natural proprietors of the street." These words have been...

Eyes on the Street - Blogs | Planetizen

The street is an everyday site of geographical knowledge and leisure practice. In recent geographical literature, there is the impression that the street is spectacle, display and epitomised in the gaze, the flaneur. David Crouch's streets as sexualised and gendered spaces have a Western history of their own, like any other social space.

Eyes On The Street The

Eyes on the Street chronicles Jacobs's life from her middle-class upbringing in Pennsylvania, where from an early age she showed signs of low deference to authority figures, to her formative early adulthood after she moved to New York City at the height of the Great Depression and began writing for a variety of publications.

From the "Eyes on the Street" to the "Eyes of the City ...

When I think of "eyes on the street" I normally think of low-rise urban neighborhoods like New York's West Village (where Jacobs lived for many years). But this doesn't mean that eyes on the street exist only in such neighborhoods. For example, I live in New York's Murray Hill, an area with many low-rise buildings but also many 10-20 story ...

Eyes of the Street I creative expression in marginalised ...

The woman with a heart for an eye (got her eye on love?) looks like the work of Italian street artist c_ska. It also looks like she's taking her temperature. Another c_ska sticker is a naked backside (or is it?) on top of an urban ninja squadron. Yes, you can make jokes about being on top. 2.

Eyes from the Street: The Neighbourhood Fabric that ...

Public and private spaces cannot ooze into each other as they do typically in suburban settings or in projects. Second, there must be eyes upon the street, eyes belonging to those we might call the natural proprietors of the street. The buildings on a street equipped to handle strangers and to insure the safety of both residents and strangers, must ...

The End of Eyes on the Street: On the delegitimizing of ...

The few blocks of Slow Street on School essentially extend the existing Neighborhood Greenway route on the street, which has a western terminus around Lincoln Avenue, west to Damen, so that's a win as well. School Street. Photo: John Greenfield. It appears that there may have been a bit of literal pushback to the project though.
