Famine Crimes Politics The Disaster

The cyclical occurrence of famine has been a mainstay of societies engaged in subsistence agriculture since the dawn of agriculture itself. The frequency and intensity of famine has fluctuated throughout history, depending on changes in food demand, such as population growth, and supply-side shifts caused by changing climatic conditions. Famine was first eliminated in Holland and England ...

Here is another example of a disaster caused by a country with a vast population trying to change its economic and social landscape in a very short period. Under the Soviet Union, from 1917 to 1953, millions of Russians died at the hands of revolution, civil war, famine, forced resettlement, and other crimes.

Great Chinese Famine - Wikipedia

The exact role of the British government in the Potato Famine and its aftermath—whether it ignored the plight of Ireland's poor out of malice, or if their collective inaction and inadequate response could be attributed to incompetence—is still being debated. However, even during the famine some food items were exported out of Ireland.

So often we publish lists that praise events in human history - tales of victory over diseases, disastrous situations, and the like. But, alas, history is also replete with events that we must remember so as to not repeat them, but we wish had never happened. This list looks at ten of the worst moments in history when man showed that he can act with utter contempt for the rest of man.
