v2 by ThuyDuong Le - Issuu***

This set provides facts and information about the cultural, religious and social implications of human decoration and adornment throughout history, with a particular emphasis on the decades of the 20th century. In 500 entries, detailed information about clothing, hairstyles, tattoos, jewelry, body piercing, feet binding and other types of fashion or style is examined.

Clothing of African Cultures
The evolution of African clothing is difficult to trace because of the lack of historical evidence. Although artifacts from Egyptian culture date back to before 3000 b.c.e., no similar evidence is available for the majority of the African continent until the mid-twentieth century. Sources from Arab culture refer to the people of northern Africa by
