The BASICS of MUSHROOM IDENTIFICATION - AmericanMushrooms.com

I have Peterson's field guide and think it's a decent guide for getting started. I like its size and organization better than Audubon's . However, Peterson's guide isn't regional so you have to sort through a lot of mushrooms that might not grow in your area, and the image plates aren't located next to the species information (which is also one of the drawbacks of the Audubon guide).

Choosing a Mushroom Field Guide - Yellow Elanor

Oct. 2020 - BestReviews

Hi from Lil Ol New Zealand. On lock down so now making ciabatta and mushrooms sauce from fresh picked field mushrooms, that I now know are safe. Thanks for the great video and pictures on how to ID edibles.

The Audubon Society Field Guide to North ... - Goodreads

Appearance and taste: These mushrooms have an almost crunchy texture. Their arresting shape (long and fragile-looking) produces a showy garnish. Best uses: In stir-fries, to which they should be added at the last minute. Use raw in sandwiches and salads. Good to know: Trim stems 1/2 to 1 inch from the bottom before using the rest of the mushroom.

Field Mushroom - Wild Food UK

This here is a field guide worth its salt, especially for the beginning mushroomer. I took up mushrooming about six months ago, and this has been my bible during that time, largely because of the plates, which are abundant and of very high quality; it enables the user to triangulate between the mushroom found, a mushroom depicted in the plates, and the more subtle identifying features that are ...
