The approach covered is primarily concerned with the use of line, development of form, and the simplified design of anatomy.

Figure Drawing: Design and Invention by Michael Hampton ...

Figure Drawing: Design and Invention Great book. Although the author says it is best for hero figure drawing, I think the exercises there and ways of approach to drawing figure is excellent for any nude drawing. I draw classical nudes and I find this book is very helpful. This is the best book to learn from.
