research involved in Filipino Philosophy by conducting a survey of the methodologies involved in the construction of perspectives and ideologies that constitute what Filipino philosophers want to establish as Filipino Philosophy.

The Philippines' greatest female philosopher has died - Quartz

The Filipino has its own Philosophy which is based on his being an "eastern man" with the influences of culture shaped by the rich history and nurtured by the major Filipino languages and dialects, and by the education imparted to the Filipino Mind. Filipino Philosophy is the rich blend of culture of the West and of the East.

## Lists of philosophers - Wikipedia

"Filipino thought is understood as his world view or philosophy. It is not the philosophy of any individual philosopher as it is in the Western tradition but rather the philosophy of the people, its diwa or Volkgeist. The sense Mercado ascribes to Filipino philosophy makes it very unique.

## The Methodological Problems of Filipino Philosophy

In essence, this philosophy teaches Filipinos to not take more than they give and to contribute equally back to society. It is also an indirect way of saying, you are not above anyone else. This affects even politicians! Since they were voted in, they are expected to give back to the public as opposed to pursuing their political agendas.
