A cheque, or check (American English; see spelling differences), is a document that orders a bank to pay a specific amount of money from a person's account to the person in whose name the cheque has been issued. The person writing the cheque, known as the drawer, has a transaction banking account (often called a current, cheque, chequing or checking account) where their money is held.

A properly formatted screenplay serves two purposes.. The first purpose is to tell a story. If you write your screenplay well, your description of a great battle will explode in the reader's ears, your dialogue between two lovers will cause the reader's eyes to tear up, and that emotional speech you write from a great leader will leave a lump in your reader's throat.
