CMPT 125, Fall 2019 Final Exam - solutions December 7, 2019

The final exam will be a closed-book exam: no notes, books, papers, computers, or other such aids are permitted. Important! Bring your official SFU student ID card to the exam. If you do not have it with you, you will be asked to go get it. During the exam you will be asked to put bags, jackets, etc. at the side of the room. Do not bring any unnecessary valuables to the exam!

Math 310 - Simon Fraser University

Calculus Challenge Exam questions are based on topics covered in the Calculus 12 curriculum, but the exam is not intended to be a summative assessment for the course. Because the exam can be used to obtain credit for a first-semester calculus course, the level of difficulty is on par with a Calculus I final exam.
