### Fire Planet Warriors Lust A

The Fire Planet was where most of the alien warriors had gone through their deadly Trials that changed them from scared boys to full warriors. So this was both an act of honor and of final defiance of the Fire, as if saying, 'Hey Fire, you didn't kill him, and his soul is safe with his Ancestors now, but here is his body that you wanted so much way back when.

The shuttle was quiet. Outside, the Fire was raging silently across the surface of the Fire Planet, sending an eerie, pulsating light across the faces of the other girls. Again Ava felt a coldness go down her back, like she always felt when she thought about fifty hostile alien species attacking her home planet.
