code.

## SERIAL NUMBER REFERENCE GUIDE

The first digit will tell you what year the tractor was built in. Ford tractors have a special system to designate the year of production. The number 5 will refer to the year 1965, the number 6 will refer to the year 1966 and so on. The number 0 then refers to 1970, the number 1 refers to 1971 and so on until the number 4 refers to 1974.
