*The Four Emperors are the four most notorious and powerful pirate captains in the world. They are not typically allies, nor are they strictly enemies of one another. Rather, the four prefer to remain autonomous under most circumstances. These four individually reside within the second half of the Grand Line (known as the "New World"), exerting impressive influence and control over dozens of ...*

*To play Four Square, you'll need at least 4 players, a ball that bounces (like a kickball), and some chalk or tape. Then, find a flat, open area, like a driveway or concrete deck, and use the chalk or tape to mark 4 connected squares on the ground. Make each square about 5 feet (1.5 m) across. Then, label the squares 1, 2, 3, and 4.*
