### Histopathology Trainees London and the South East

One of the most frequent and important questions we get asked by international doctors is where they fit into the UK system and what grade they can expect to work at. It is important to note that medical terminology is different from country to country, so this brief guide aims to clearly explain the UK system and give you a better idea of what grade you can expect to start at.

### Frcpath Histopathology Part 1 Examination

Trainees in Stages B and C who are not in possession of the FRCPath Part 1 (for progression to Stage C) and FRCPath Part 2 (for progression to Stage D) should be awarded an outcome 10.2 where the delay has been caused by COVID-19 disruption, or an outcome 3 where it has not (e.g. related to repeated examination failure).
