In our free FE practice exam, we have tried to include the above categories in our questions. It may take only 30 seconds to answer some of the exam questions. If students can answer those questions in a shorter time frame, the remaining time could be used in solving more difficult problems.

#### Fundamentals of Engineering Examination - Wikipedia

If you wish to get a job with an engineering firm as an entry-level engineer, having passed the FE exam and registered with the TBPE as an Engineer-In-Training (EIT) is almost always a requirement. If a graduate submits a resume without having passed the FE exam, it casts doubt on that graduate's aptitude for advanced engineering work and eventual professional licensure.
