There's also a wide selection of languages available, with everything from English to Farsi.

Technical Papers - Society of Petroleum Engineers

Many papers have a submitted (and later published) conference version, along with a "full paper" technical report on the web. It's important to manage versions carefully, both in content and proliferation. My recommendation is, whenever possible, for the full paper to consist of simply the conference version plus appendices.

White papers are the type of write-ups that can make an effective research paper. Just like any other intensive and informative type of document writing, white paper writing is done in a progressive and gradual manner. A white paper document is flexible to use from one industry to another and its purpose ranges from but isn't limited to research, report, discussion, to proposals and many more.
