In this Freudian Frankenstein Victor's creation yearns for a female companion (in a sly bit of double casting Erika Soto plays both the Female Creature and Victor's fiancée, Elizabeth). However, this is a bit like a child pursuing sex, which remains an extremely taboo subject, although Sigmund Freud theorized that children could have a ...

The Freudian Frankenstein - Hollywood Progressive  
-- Freud's first thesis: The uncanny arises due to the return of repressed infantile material. 4) Other examples of this: The double (doppelganger); its source is the primary narcissism of the child, its self-love. In early childhood this produces projections of multiple selves. By doing this the child insures his/her immortality.

Freudian Psychoanalysis of Victor's Dream in "Frankenstein ...  
For the Romantics, Frankenstein is not a monster but a 'modern Prometheus', as Mary Shelley's book is subtitled. Frankenstein is a hero because he represents the best qualities of the individual, or the ideal of the Artist, as it was newly conceived in the Romantic imagination.
