From Where You Dream - Wikipedia

Like many handbooks on craft, Robert Olen Butler's From Where You Dream includes analysis and examples, but the author layers his analysis with a study of how art and fiction craft connect—what he calls an “intuitive command of the essentials of the process of fictional art.” You could say Butler's book is a study in anti-craft craft.

From Where You Dream | According To Hoyt

Dreams can happen at any time during sleep. But you have your most vivid dreams during a phase called REM (rapid eye movement) sleep, when your brain is most active. Some experts say we dream at ...

From Where You Dream Book – PDF Download

You know in the past I've said that if you don't believe in selling out you're never going to make it. I still stand largely by this. A novel that's published, a novel that sells is almost a collaboration between the writer and the person who buys it/reads it. I was explaining this to a...
