Frugal Innovation: How to do More With Less – Navi Radjou

Frugal innovation is about delivering more value at lower costs to more people. It is frugal because you need to adopt a mindset of simplicity and extremely low cost without sacrificing the quality of the user experience. It is about stripping away the extras and delivering simple, hardy and less resource-intensive products of good quality.

Frugal innovation - Wikipedia

Are frugal innovation and social entrepreneurship and innovation related? The two are not mutually exclusive and nor is one a subset of the other. There can be overlapping concerns as frugal innovation and social enterprise commonly agree on who to benefit, but I believe they differ on how this is best achieved.
