It includes electrochemical energy technology as in energy conversion and ...

Abstracting Indexing - Fuel Cells Bulletin - ISSN 1464-2859

The first references to hydrogen fuel cells appeared in 1838. In a letter dated October 1838 but published in the December 1838 edition of The London and Edinburgh Philosophical Magazine and Journal of Science, Welsh physicist and barrister Sir William Grove wrote about the development of his first crude fuel cells. He used a combination of sheet iron, copper and porcelain plates, and a ...
