The Full Focus Planner is the more grown-up, elegant big sister of the other popular planners out there. Instead of trendy cover designs with bright colors or motivational sayings, this planner is simple yet beautiful.

**Amazon.com: full focus planner**

The Full Focus Planner is a traditional paper planner that cracks the code for combining a focused, daily to-do list with research-backed long-term goal achievement. I can't help but being a true productivity nut. I devour everything that helps me get my daily stuff done as well as keep me in check with the things I want to achieve.

**Full Focus Planner Review (Planner by Michael Hyatt)**

The Full Focus Planner is a quarterly planner but what makes it the best planner for entrepreneurs (in my opinion) is the system in which you use the pages. As the name implies, it's designed to help you stay focused on tangible goals, year-round.
