**Gardening With
Young Children
Early**

Young children
can have a
positive
gardening
experience
simply by
starting a seed
or bulb, digging

Get Free Gardening With Young Children Early Years

in dirt, or
taking care of a
house plant.

Where and how
you start
gardening with
children is
based on a few
ideas:

Gardening With Young Children Early Years

When gardening,
Page 36/47

Get Free Gardening With Young Children Early Years

children have to
move all around
the garden until
the job is
finished. So,
gardening
teaches them a
pattern of
active routine
and contributes
to a wider
understanding of
numerous ways of
staying healthy.

Get Free Gardening With Young Children Early Years

Developing STEM skills. More than just moving around and using muscles, gardening teaches your child how to analyse the situation.
