Gender Identity & Roles | Feminine Traits & Stereotypes

The role of schools and classrooms are very important in addressing and challenging the gender stereotypes which children experience from birth. It can either be an environment where these stereotypes are reinforced, or one where children and young people are encouraged to challenge stereotypes and pursue interests based on their personalities and goals, not their gender.

Gender : stereotypes and roles : Basow, Susan A., 1947 ...

Gender stereotypes for women are formed by unfair beliefs that all men and women are the same. This discrimination leads to certain effects such as how men expect women to do housework, take care of the children, and take on a passive role. Similar gender stereotypes are seen in "A Jury of Her Peers" by Susan Glaspell.

Changing lives: gender expectations and roles during and ...

Although the exact content of roles for women and men may vary as a function of culture and social class, women's roles virtually always must be compatible with their reproductive role. Children observe and are taught their culture's gender stereotypes and role expectations, and by age 7, have internalized them to achieve a stable gender identity.
