Python is one of the most powerful, easy-to-read programming languages around, but it does have its limitations. This general purpose, high-level language that can be extended and embedded is a smart option for many programming problems, but a poor solution to others. Python For Dummies is the quick-and-easy guide to getting the most out of this robust program.

Stock Investing For Dummies, 6th edition by Paul ...

General: This is the highest military rank in the army. The type of general denoted the level of command. Thus a general of brigade (brigadier general) commanded a brigade. A general of division commanded - you guessed it - a division. Marshal: This term describes a handful of men (26, to be exact) who were granted the title of Marshal of the ...
