At a Halloween party, Ghost eats a variety of foods, which are then visible through his transparent body, before being scared away by Frankenstein's monster. Ghost Eats It All! would be a good non-scary Halloween selection, which might also appeal to anti-Halloween parents as the word "Halloween" is never mentioned.

Ghosts in Thai culture - Wikipedia

Ghost shrimp are basically little eating machines. That's pretty much all they do; and in the process of doing it, they also do a great job of cleaning the bottom of your turtle's tank of leftovers and other detritus. They also eat certain kinds of algae and diatoms. Best of all, they add almost no bioload to the tank.
