spec, and the vast majority found that their valve clearances were all still within specs.

Service intervals

Honda state 4,000-mile service intervals with a slightly more in depth one at 8000 miles and the valve clearances checked at a massive 32,000 miles. Most owners stick to this so always insist on a good service history. The Wing is generally very well built but it does have a few niggles.

What is the best oil for Honda Goldwing 1800 | Motorcycle ...

600 mile change on a Goldwing is a waste of money. Wait till 4K. Newer manufacturing processes negate the need for a 600 mile oil change. Just throwing your money down the toilet. changed mine at 700 miles and it is a totally different bike. it was dirty, and plenty of shiny things in it at that point as well. i only use golden spectro 10w-40, and change oil religiously at 2000 miles. oil and ...
