quite as "mature" a boat as yours, 1999, but
I have and use a SELOC manual for engine and
outdrive issues, sort of the "Haynes" manual
of boats.*

While Glastron's GT and CVX series sport boats were popular sellers in their day, there are few left to restore. If they are, they're in an advanced state of decay. But Boating magazine recently found one true "barn find," so keep an eye on the May 2017 issue to see how we brought the gleam back to a 1978 Glastron CVX 16. Zach Stovall

I'm selling this RARE 1959 Glastron Fireflite. My father bought it new from Haun Marine, Fonthill Ont. in 1959 when I was 13. I spent the past few years fully restoring it including stripping and repainting, new rub rail, new reproduction seats etc. Only the original windshield is crazed in spots. Even has "glastron" marked cleats.

I got a few questions. I am fairly new to the boating world. I am used to working on snowmobiles and have been trying to use some of those skills to fix a few things on the boat. If anyone knows where I can find a service manual or part diagrams for the boat that would go a long way for me. So here is the problem.
