Globalisation Of World Politics

This chapter examines the characteristics of contemporary globalization and how they are reshaping world politics. It explains why globalization challenges some of our traditional ways of thinking and theorizing about world politics. It asks whether there are limits to globalization or whether it is inevitable. It also considers the extent to which globalization is responsible for the emerging ...

John Baylis, Steve Smith "The globalization of world politics"

"The Globalization of World Politics is superb. The volume has a succinct and lucid style, but also manages to cover a whole range of schools of thought and policy issues. If you are asked to choose one textbook in the area of international relations, this is it."--Takashi Inoguchi, University ofTokyo
