Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, from the best-selling to the newest. We also have a "poor" filter to help you find books on publishing platforms (though a book has to be really quite poor to receive less than four stars).
