The dollar financial system of Wall Street was born not at a conference in Bretton Woods New Hampshire in 1944. It was born in the first days of August, 1945 with the dropping of the atomic bomb on Hiroshima and Nagasaki. After that point the world was in no doubt who was the power to reckon with. This book is no ordinary book about money and ...

Gods of Money : Wall Street and the Death of the American ...

As Roman emperors diluted the gold and silver content of the coins of the realm to continue an unsustainable system, the Gods of Money on Wall Street used a free-floating dollar and virtual money in the form of financial derivatives to maintain a facade of solvency. That facade cracked in August 2007 with the collapse of Germany's IKB bank.
