The Nigerian mafia produces synthetic drugs independently and sells them with the consent of the Camorra. This alliance, however, can change from one moment to another, as the Nigerians have asked to be treated on par with other Italian mafias, for the fact that they are growing both as a military and as an economic force. Other alliances

Gomorrah: Italy's Other Mafia is an astonishing insight into the brutal world of an Italian mafia. Gomorrah is also a meditation on violence and the devastating effects of such violence on individuals and Italian society as a whole. The book looks into the world of the Camorra mafia. Saviano starts his book by highlighting the economic foundations of southern Italian criminality.
