ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

Exam papers and study material for grade 10,11 and 12
The most effective form of matric revision is to go through the past exam papers of your subjects. We advise that you download your grade 12 past exam papers for your subjects and go through them as if you were in a real time exam environment. After completing the paper check your results against the memorandum for that paper.
