and implement strategies (and grand strategies) to achieve desired political ends. Dr. Biddle begins her monograph with a close ex-amination of the terms “ strategy ” and “ grand strategy. ” Relying on a wide body of literature by historians, political scientists, and practitioners, she examines

Project MUSE - Thucydides on Strategy: Grand Strategies in ...

The difference between tactics, strategy and grand strategy began to melt during the Cold War as command and communication technologies improved to a greater extent, in first world armed forces. The third world armed forces controlled by the two superpowers found that grand strategy, strategy and tactics, if anything, moved further apart as the command of the armies fell under the control of super power leaders.

Grand strategies in the Cold War - Cambridge University Press

Grand Strategies in War and Peace. He argues that America must avoid nuclear war, create armed forces flexible enough to deal with a variety of possible fighting contingencies, preserve its alliance system, and institute serious measures to reverse the economic and social trends that have weakened its preeminent position in the world.

Grand Strategies in War and Peace by Paul Kennedy

Grand strategy. A wartime strategy is said to become “grand” when it is concerned not only with winning the war but also with securing a comfortable, lasting peace. A grand strategy provides a national vision for the future and a precise plan for the fulfillment of that vision.
