The Ghost: A Cultural History by Susan Owens
Good social and cultural historians are both
fact-bound and original at once, so the
requirements for being either keep rising.
The kinds of material thought vital to social
and cultural history multiply continually, as
do the precautions for reading any historical
records without preconceptions or biases that

mysophobia (fear of dirt).

automysophobia - Wiktionary

The Ghost: A Cultural History was a fascinating read from start to finish. I loved how Owens used social history and the arts to detail the changing attitudes towards ghosts through the ages. The wide range of source material was especially pleasing, with examples ranging from paintings to poems to plays.
