About Us - The Green Pharmacy
"The foundation for the majority of our drugs is the natural world," said Candis Morello, PharmD, a professor of clinical pharmacy at Skaggs School of Pharmacy and Pharmaceutical Sciences at the University of California, San Diego. "But that does not mean that the billion-dollar supplement industry, which is full of hype and very little regulatory oversight, should be used as a person's medicine cabinet."

Green Pharmacy | Natural Products Sourcebook
Our History Established in 1938, Green's isn't just another pharmacy. Since then, Green's has been serving tasty dishes and filling prescriptions while patrons sip down their milkshakes from the 82-seat classic soda fountain. Open 365 days a year in rain or shine, the store maintains its nostalgic ambiance, a nod to simpler times.
