review of the topics along with the frequency they come up in the GAMSAT, it doesn't teach those topics.

A Guide on How to Prepare For the GAMSAT

GAMSAT is basically designed to narrow down graduate applicants for medical school. It does this rather ruthlessly but serves medical schools well, in reducing the applicants they must consider for a place. The most discerning part of the test is probably the essay question. There are a few reasons why this is deemed difficult by most graduates.
