Sadly, I don't think that you will find any
service manual or schematic on the internet
or for free. Service information is factory
proprietary and not really shared with those
other than authorized factory service
centers. Many companies run this way, not
just Eton. If anything gets posted, it gets

The repair for the Grundig S350DL worked!!
Here was the problem and I apologize for the
crappy digital camera video but it does show
the problem before the repair. The answer in
the Yahoo S350DL group was correct. You have
to tighten the tuner screws. Take the screws
off off the radio on the outside, Don't
forget the ones in the battery case ...
