facts and background knowledge in areas such as science and social studies. Students will be challenged and asked questions that push them to refer back to what they've read.

Guided Reading - Perfection Learning

This notion of guided reading has not changed with the Common Core. What the Common Core has done, at least in grades 1 and up, however, is added the text complexity dimension, but the task of reading complex books, according to the common core, should be provided with the **most** amount of support, not the least amount of support like in Guided Reading.
