The 10/20 MA Heikin-Ashi Strategy is the best I know. It's easy, it's elegant, it's effective. It's particularly effective in markets that trend on the daily. You may lose some money when markets are choppy, but your loss will be more than compensated when you're aboard during the big moves at the beginning of a trend or after retraces.

Heiken Ashi Smoothed BBsqueeze - Trend Following System

This is an unconventional version of the Heiken Ashi Smoothed indicator implemented as lines rather than a histogram. Unlike a usual histogram, the indicator draws the readings of the two moving averages in the
