Helicon Remote manual - Helicon Focus Help

Helicon Remote can only work with cameras that support remote Live View and remote focus control. Canon cameras prior to 40D and Nikon cameras prior to D90 do not support these features. Helicon Remote also doesn't support the Nikon D3000 line of cameras because they lack remote control capabilities.

Helicon Remote Manual

We recommend setting the camera to "Manual" mode, as this will allow you to control other exposure parameters with Helicon Remote. Using fully automatic exposure modes (modes in which the camera sets both aperture and exposure time automatically) is strongly discouraged as many of the program's functions don't work in auto modes.
