The human dilemma and the way out By Kim

Michaels . This leads to a recognition of what might be called the eternal human dilemma. There are two options: One can allow oneself to become convinced that the illusion of a fragmented world and a separate self is real.

Help: The Original Human Dilemma:

Amazon.co.uk: Garret ...

The dilemma, then, is that mutual cooperation yields a better outcome than mutual defection but is not the rational outcome because the choice to cooperate, from a self-interested perspective, is irrational. Generalized form. The structure of the traditional Prisoner's Dilemma can be generalized from its original prisoner setting.

The human dilemma and the way out - Kim Michaels

The human mind is confined to the brain, which is full of limitations and which inhibits the mind from a detached perspective. The mind does not have direct contact with reality. The limits imposed on human senses and tools that extend them allow a perception of only a small portion of reality.

Nonfiction Book Review: HELP: The Original Human Dilemma ...

Help! It's one of the most fundamentally human things we do, helping others. Help takes many forms, wears many disguises, and

sometimes isn't really help at all. Former Episcopal priest Garret Keizer helps us understand help, in perhaps the first such book intended for a general audience.

The Human Dilemma - Journal of Philosophy of Life

All beliefs have merit but at the end of the day 3 of them might not be true. The problem is that someone else might have a different belief and if you're a social creature when you fix beliefs on other methods they won't stick and they will lead to doubt. if you can use science you should. That being said all issues can't be solved with science.
